

January 2018

Dear Parents and Students,

On Sunday, January 28th we will celebrate Catholic Schools Week at St. Paul the Apostle School.

The Theme for Catholic School Week is:

“Learn, Serve, Lead, Succeed”.

1. I think **ALL** of us would agree the Faculty and Students **LOVE** Catholic School Week. It is a time to celebrate and be thankful that our parents have provided the students an opportunity to attend and be a part of a Catholic School and Parish.

I can attest that the faculty provides an outstanding education. This year alone the eighth grade families should be so proud that many of their children received outstanding scholarships. ALL students made their high school of their choice. I believe scholarship money amounted to over a half a million dollars as of today.

So during this week let us not forget how fortunate everyone is and to thank God for our many blessings.

Mrs. Mallardi
Principal
