

Winter 2019 After School Programs at St Paul the Apostle

Thursdays: Chess Scholars

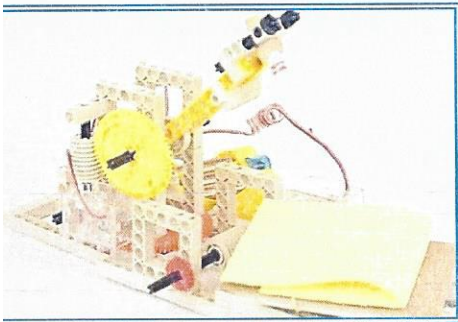

Develop your child's intellect through the fun game of chess! Current research has shown a strong link between chess and academic performance in a variety of areas, including mathematics and language arts. Also, chess has been proven to enhance motivation, concentration, focus, social skills, and creativity.

No previous knowledge of chess is necessary. Each class will consist of a fun, interactive teaching period and guided practice time. Both new and returning participants are welcome and will get to the next level under the guidance of an experienced Chess Scholars coach. There will also be a chess competition with prizes towards the end of the session! Each child will receive a participation medal and a chess keychain.

Course Time: February 14th – April 11th, 2:30 PM – 3:30 PM
No class: 2/21, 4/4 (7 Classes) **Grades K-8**

Course code: APS2.14.19
Please register by 2/4 for the early bird price of \$124.00.

Tuesdays: Let's Build It

Enter into the fascinating world of robotics. In this exciting STEAM program, students will design, build and test their very own robots under the guidance of an experienced AES instructor. Projects include remote control cars, claws, cranes, crawlers, and battle bots. Educational components include gear ratios, mechanical design, electronics, and robotics engineering. No previous experience is necessary, just a desire to have fun, build, and learn. Each student will receive an award on the last day of the session, and have the opportunity to earn Energy Belts to demonstrate their learned skills!

Course Time: January 29th – March 12th, 2:30 PM – 3:30 PM
No class: 2/19 (6 Classes) **Grades 1-5**

Course code: APS1.29.19
Please register by 1/22 for the early bird price of \$117.00.
